TECTUM ROOF DECKS

This will confirm that our IKO Asphalt Shingle Limited Warranty will be valid when our shingles are applied over Tectum roof deck panels. Limited Warranty coverage is dependent upon the following:

- a) Shingles must be properly applied according to the IKO printed application instructions found on the respective shingle wrappers.
- b) IKO will not be liable for any damage caused by settlement, distortion or cracking of the roof deck, or failure of the materials used as a roof base, or by traffic on the roof. IKO will not be liable for the design or installation of the Tectum roof deck material, which must be installed according to Tectum's requirements.
- c) IKO will not be liable for damage caused by insufficient attic ventilation or roof drainage.

For additional information on any of IKO's products or application requirements, visit us on the web at www.iko.com, or contact us in Canada at 1-888-766-2468, or the United States at 1-888-456-7663.
