Take that New Roof Back to Beautiful Basics.

IKO Marathon traditional shingles are of solid construction and a 3-tab design that has always been popular with homeowners.

Their large metric size means these shingles go down fast and easy, to save you time and labour. And IKO's Fastlock™ modified bitumen sealant is thick and aggressive to promote a strong bond.

IKO's advanced colour blending technology produces a wide array of consistent, yet exciting colour blends for any style of home.

Marathon™ Plus AR

To ensure complete satisfaction, please view several full size shingles and an actual roof installation prior to final colour selection as the shingle swatches and photography shown online, in brochures and in our app may not accurately reflect shingle colour, and do not fully represent the entire colour blend range, nor the impact of sunlight.

¹See Limited Warranty at IKO.com for complete terms, conditions, restrictions, and application requirements. Shingles must be applied in accordance with application instructions and local building code requirements. ²High Wind Application is required. ³All values shown are approximate. ⁴Products developed with reference to these Standards. ⁵Marathon Plus AR features an algae-resistant granule that helps inhibit discoloration caused by blue-green algae.
