

NORDIC™

Performance Shingles

Top-Tier Shingles
for Customers Who
Seek the Highest
Roof Performance.

IKO
ARMOURZONE®

HIGH-WIND
RESISTANCE

ENHANCED
COLORS

CLASS 4 IMPACT
RESISTANCE RATING³

Homeowners in severe weather locations love Nordic Performance shingles — and so will your customers. That's because they're made with polymer-modified asphalt to cushion impact with a rubber-like effect, earning them a Class 4 impact resistance rating³. This high-performance construction makes Nordic one of the best asphalt shingles on the market.

The IKO Difference

With a legacy of craftsmanship that spans over 75 years, we know quality. That's why contractors and their customers trust IKO to deliver beautiful, high-performing roofing systems that can withstand rigorous conditions — and continue protecting families for generations to come.

Quite possibly the best asphalt shingle on the market.

Offer your customers ultimate peace of mind with IKO's highest performing impact resistant shingle. Available in severe weather markets, Nordic shingles provide superior performance with:

- **Class 4** impact resistance rating³, the highest possible.
- Heavyweight fiberglass mat coated with a **polymer-modified asphalt** for exceptional tear-resistance and flexibility, even in cold temperatures.
- **ArmourZone** 1 ¼-inch reinforced woven band nailing surface for unparalleled holding power
- Stunning **enhanced** color blends.
- **True Square Advantage** sizing providing exactly 100 square feet of coverage in every three bundles, helping minimize waste and installation costs.
- A limited **high-wind warranty**¹ for winds up to 130 mph (210 km/h).
- Resistance against **blue-green algae** streaks and discoloration.

NORDIC™

Performance Shingles

SPECIFICATIONS ⁴	Limited Warranty ¹	Limited Lifetime ²	Dimensions (L x W)	40 7/8 in (1,038 mm) X 13 3/4 in (349 mm)	STANDARDS ⁵	ASTM D3462
	Iron Clad Protection ¹	15 Years	Exposure	5 7/8 in (149 mm)		ASTM D3018
	Limited Wind Warranty ¹	130 mph	Coverage per Bundle	33 1/3 sq. ft. (3.1 sq. m)		ASTM D7158 — Class H
	Limited Algae Resistance Warranty ¹	10 years (blue-green)	Shingles per Square	60		ASTM D3161 — Class F
						ASTM E108/UL 790 — Class A
						FM 4473 — Class 4 ³

Note: Product and color availability may vary by region. Products with Miami Dade NOA and FBC product approval listings are available. Meets Texas Department of Insurance requirements. Contact IKO for details. ¹Refer to the Limited Warranty at IKO.com for full terms, conditions, restrictions and application requirements. Shingles must be installed per application instructions and local building codes. ²"Lifetime" refers to the period from installation until the original Owner no longer owns the building. ³Impact rating is solely for potential insurance premium reductions and is not a performance guarantee, implied or express warranty of any kind. Hail damage is not covered under the Limited Warranty. IKO recommends Class 4 or 3 impact resistance rated Hip and Ridge capping shingles be installed with corresponding impact rated shingles (refer to FM Approvals for more details on the FM 4473 impact resistance testing standard). ⁴All values are approximate. ⁵Products are developed with reference to these standards.

IMPORTANT! For complete satisfaction, view full-size shingles and an actual roof installation before selecting a color. Online swatches, brochures, and our **ROOFViewer®** tool may not accurately reflect the shingle color or full color blend range, nor show the impact of sunlight.
